

Williamstown Historical Museum

Exhibits Room Before and After

Contributions from our generous donors have made a difference! We have made durable investments in the former South Center School which are providing a secure and energy efficient building envelope and a safe place in which to store our collection and exhibits. Updated technology and aesthetic improvements to the building along with frequent programs, workshops and special exhibits will make the Williamstown Historical Museum we a vibrant community resource that can serve as a repository of memory and framework for viewing today. Our foremost goal is the preservation and presentation of the history of Williamstown for this and future generations and we aim to serve as Williamstown's history center that will thrive for the next 50 years and beyond.

We encourage you to visit us this summer!

We will be open:

Wednesday – Friday: 10 a.m. – 2 p.m.

Saturday and Sunday: 12 p.m. – 4 p.m.
